Our Service Company

At **MAJID Trading & Contracting Establishment**, we deliver comprehensive services that support every stage of project development — from material supply to full project execution. Our core services include:

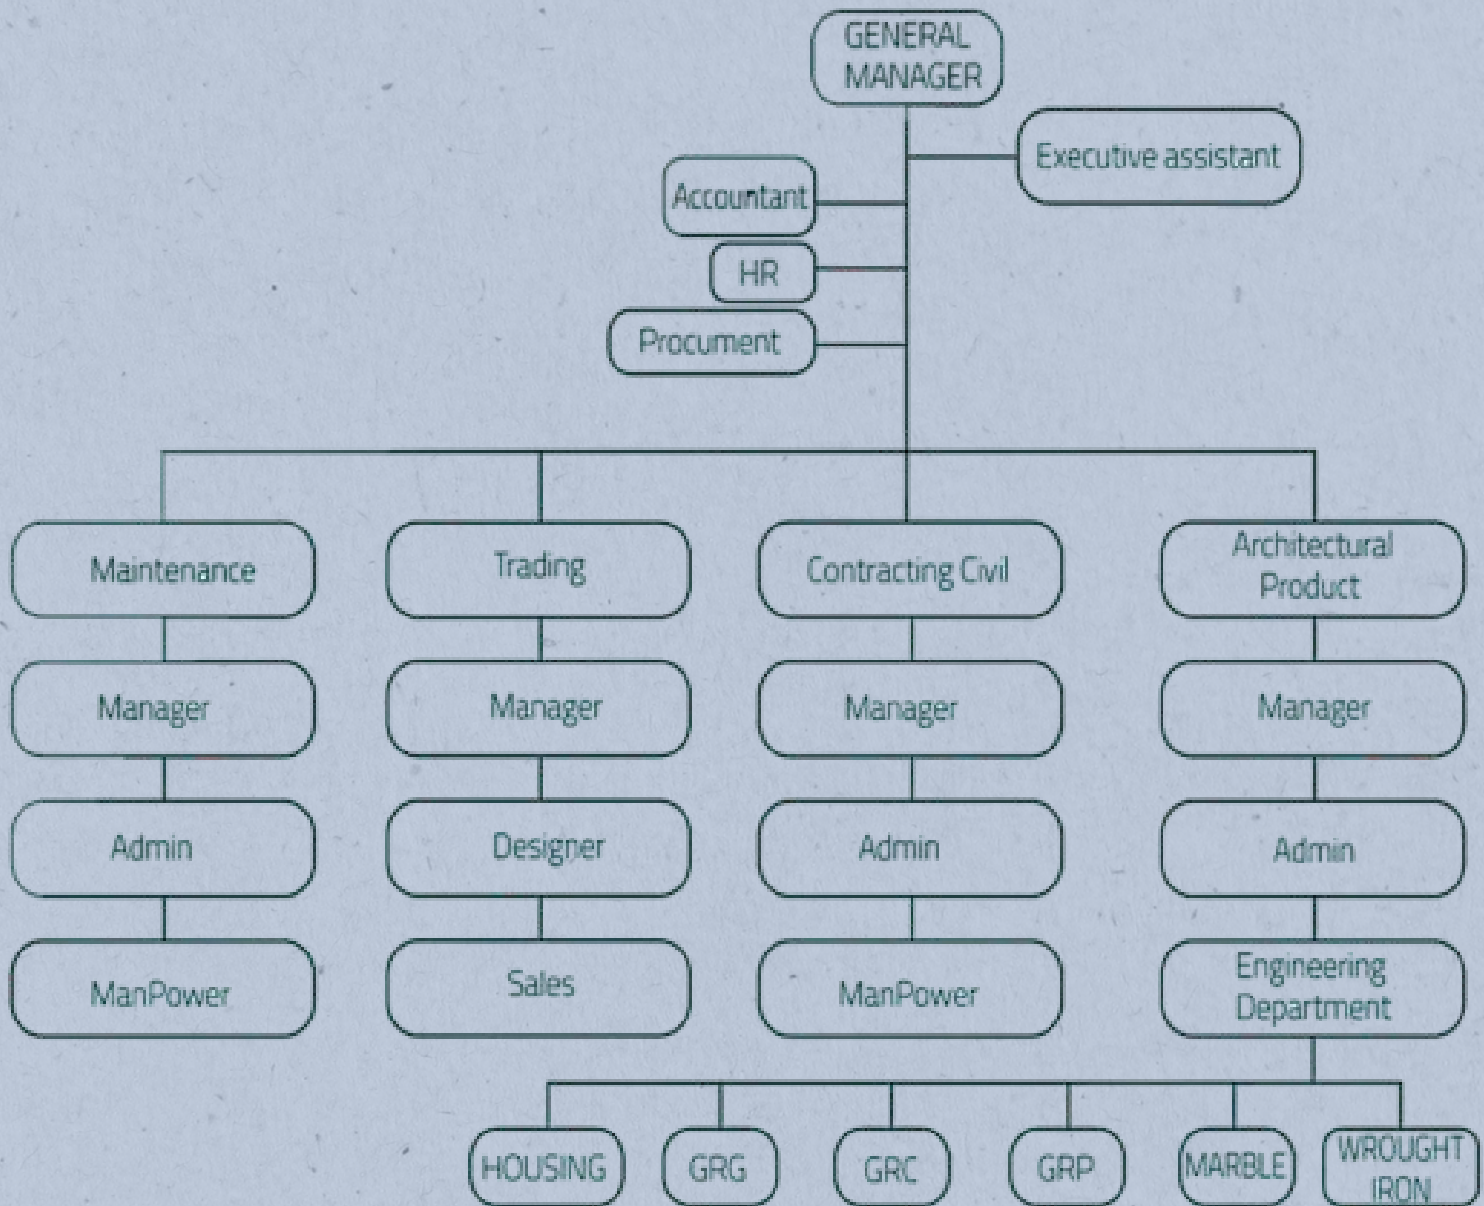

- **Material Supply & Trading:** Providing high-quality Mechanical, Electrical, and Plumbing (MEP) materials, construction supplies, and general trading items across the Kingdom.
- **Equipment Rental:** Supplying a wide range of rental equipment, including generators, lifts, and heavy machinery to support site operations.
- **Contracting & Construction:** Executing civil, structural, and MEP works, as well as finishing, painting, flooring, and fit-out projects with a focus on quality and safety.
- **Engineering & Project Support:** Offering design assistance, shop drawings, value engineering, and project management services to ensure efficiency and cost-effectiveness.

With an integrated approach combining supply, engineering, and execution, we provide reliable, cost-effective, and timely solutions tailored to meet the unique requirements of every client.

Organizational Structure

Management Policy Statement:

It is the core policy of **MAJID Trading & Contracting Est.** that all contracting divisions execute their projects in full compliance with a robust **Quality Management System (QMS)**. This system ensures strict adherence to all **contract requirements, project specifications, and client expectations**.

The **Quality Policy Objectives**, implemented at every management level from **Executive Management** to **Division and Site Management** are as follows:

- **Promote Quality Awareness:** Develop and maintain a strong quality culture among all office and site personnel through the implementation of an effective project quality system.
- **Ensure Excellence in Execution:** Maintain the highest standards of control and supervision across all project activities to achieve superior performance.
- **Optimize Resources:** Utilize available resources efficiently in terms of quality and time, ensuring both client satisfaction and project profitability.
- **Fulfill Commitments:** Deliver every project **on time, in the right way, and with the best possible quality**, fully meeting or exceeding client and consultant requirements.

Through continuous improvement and strict adherence to our QMS, **MAJID Trading & Contracting Est.** is committed to delivering excellence in every project we undertake.

Quality, Health, Safety & Environment (QHSE) Policy

At **MAJID Trading & Contracting Est**, we are fully committed to maintaining the highest standards of **Quality, Health, Safety, and Environmental (QHSE)** performance in every aspect of our operations. Our goal is to ensure the **well-being of our employees, clients, and partners**, while delivering superior products and services that comply with contractual, statutory, and regulatory requirements.

Our QHSE objectives are achieved through the following principles:

- **Quality Excellence:** Implement and maintain a robust **Quality Management System (QMS)** to ensure that all materials, products, and services meet or exceed client expectations.
- **Health & Safety Commitment:** Provide a safe and healthy work environment by identifying potential hazards, preventing incidents, and ensuring that all employees follow safety procedures and best practices at every worksite.
- **Environmental Responsibility:** Conduct our business operations responsibly to minimize environmental impact, promote sustainable practices, and comply with all environmental regulations.
- **Continuous Improvement:** Encourage innovation, regular training, and feedback to enhance performance and ensure ongoing improvement in quality, safety, and environmental management.

Through teamwork, accountability, and leadership commitment, **MAJID Trading & Contracting** strives to achieve **zero incidents, zero harm, and zero environmental impact** while maintaining the highest standards of professional excellence.
